

Allen Stivanson Christian

B.Tech AI & Data Science | ADIT, CVM University

allenschristian07@gmail.com | +91 6355941155 | LinkedIn/GitHub: allen745

SUMMARY

AI & Data Science student and builder. Holds a Government of India design patent. Ships AI/ML and full-stack products with a long-term aim toward Machine Learning Engineer roles.

EDUCATION

B.Tech - Artificial Intelligence & Data Science

A.D. Patel Institute of Technology, CVM University | 2025 - 2029

SELECTED WORK

Design Patent - Piezoelectric Striker Device

- Government of India registered design patent (Class 13-01) for a spring-loaded piezoelectric energy-harvesting device.

DevMind AI

- Live AI product for developer workflows. Built and shipped end-to-end product experience.

CA.OS / CA SaaS

- SaaS platform in progress for Chartered Accountants in India.

Vertex

- AI career intelligence platform with roadmaps, salary/demand context, and an AI advisor.

TrackBot 1

- SSIP-funded team robotics/automation project.

AutoSeed Bot

- IoT + precision agriculture prototype with sensor-based navigation and seed dispersion.

SKILLS

Python, FastAPI, Machine Learning fundamentals, SQL, React, Azure OpenAI / LLM tooling, IoT prototyping, product shipping.

RECOGNITION

- Government of India Design Patent - Spring-Loaded Piezoelectric Generating Striker Device (Jul 2025)
- Microsoft Agents League 2026 - Reasoning Agents track submission (DevMind AI Agent)
- InAmigos Foundation - Top Intern / Top 5 Performer, Web Development Internship
- Additional competitions and certifications listed on portfolio
